**Minnetonka, MN** – Minnetonka's Gopher State Events, LLC ([www.gopherstateevents.com](http://www.gopherstateevents.com)) announced today that it has been contracted to manage Runnin' With The Law, a joint effort between TRIA Orthopaedic in Bloomington, MN and the Minneapolis Police Department.

### **About Runnin' With The Law**

Runnin' with the Law started in 2010. The Minneapolis Police Department and TRIA Orthopaedic Center each had a fit team that decided to come together to put on this event as a way to keep people active and raise awareness for healthy lifestyles. Now the event has grown to include more than just each organization's fit team. The purpose of the event is to encourage people to get out and be active. The 5K has been held in locations such as the Stone Arch Bridge and Lake Calhoun. During these events the Minneapolis Police Department also has offered demonstrations involving their SWAT unit, K9 Unit, and Segway unit.

### **Details About The 2015 Event**

The 2015 version of Runnin' With The Law is still in the planning stages. It is very important for the event organizers to select a date and a location that will maximize participation and the resulting exposure to the causes that they represent. The specifics of this event should be available late in January 2015.
