

TEMPO EVENTS

A complete software platform for registration, check-in, marketing & management

TempoEvents.com is elegantly constructed internet software that simply and easily automates the tasks that dominate your time. Crafted to capitalize on today's online integration opportunities, we streamline everything from financial management to data management, charitable donations, email marketing & social sharing, and data updates. Plus the option to implement Tempo's completely mobile dynamic bib assignment – a check-in system so unique and efficient it's patent-pending.

INNOVATIVE REGISTRATION

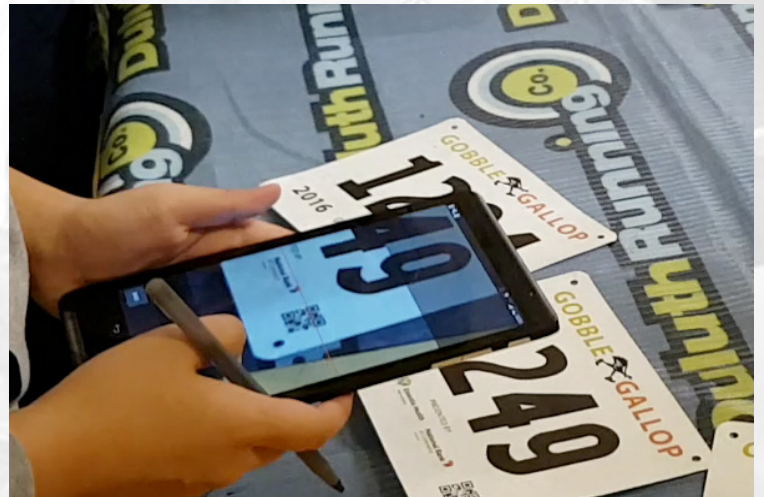

- Tempo's race registration is full featured AND easy to use (for you and your entrants)
- Easily register multiple people in multiple events—all at once
- Easily control which entrants see which questions
- Powerful reporting & customized downloads

MOBILE DYNAMIC BIB ASSIGNMENT

- Eliminate labeling and pre-stuffing packets
- Scan entrant confirmation from paper or their phone (Look-up available, too)
- Confirm entrant details on screen
- Scan the bib
- All systems update in real time

BETTER SOCIAL

- Builds YOUR following (not ours)
- Users are pointed to your Facebook and Twitter for most up-to-date info
- Opportunity to share again upon completion

Please see our video at TempoEvents.com/Features

DIRECT INTEGRATION TO YOUR BULK EMAIL

- Tempo links entries directly to your Constant Contact, MailChimp or other service
- Your email marketing and race communication lists are updated in real time

MAXIMUM CHARITY SUPPORT

- Tempo fully integrates the collection of charitable donations within your registration
- Fixed amounts, open amounts and recurring monthly contribution options are available
- Funds raised deposit directly to the charity
- Perfect recordkeeping for your race; no auditing or bookkeeping necessary

COMPLETE CUSTOM BRANDING AVAILABLE

- Brand the entire registration process with your own identity
- Add backgrounds, photos, graphics. Your font styles and colors flow through beyond checkout

AFFORDABLE

- Tempo offers market rate fees with top shelf service & features
- Receive weekly ACH deposits, and view crystal clear reporting
- Option to use your own merchant account and save
- Free use of our fleet of mobile tablets for event check-in
